Study hard and do well!!! If the weather holds, we will have hot dogs on the grill out in front of Christus Rex.

Farewell Dinner: May 9th at 11: 45 am

A celebration dinner for the end-of-the-year. Bring your mother and say goodbye to friends who are leaving.

Gardening for Northlands Rescue Mission

We applied for and received a grant from the ELCA for the tools and space to build a garden this summer. The food and harvest grown will be donated to the Northlands Rescue Mission and will help promote education on food production and hunger around the globe. Aaron Landrie will be leading the project, but we are looking for volunteers who would be interested in helping with planting and tending the garden with him. Please let us know if you have any interest in gardening!

Lutheran Student Movement Conference (August 11-14, 2010)

This August a few of us will be taking an exciting trip to Chicago. Lutheran Student Movement and staff will be combining this year to create a dynamic event that will help us to grow and learn in our faith. The convention will take place just before school begins and will add to the passion we have to do justice and we can hit the ground running for the fall semester!! The conference theme is *Follow Me: Sharing the Gospel in a 2.0 World*. Scholarship funding is available. Talk to Kathy or Chad about your participation.
